

BRYT

GENIUS NUTRITION

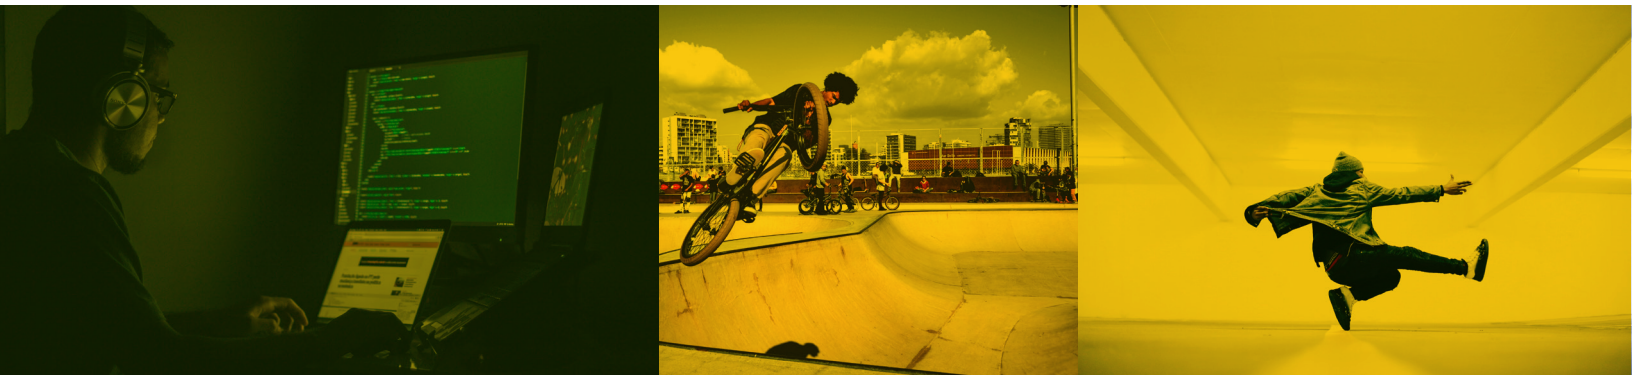

WHY NOOTROPICS?

There's an enormous focus on eating right for your body type. Whether you're trying to cut weight, bulk up, or tone down, there are strict, dietary guidelines that determine what you should and shouldn't be eating.

If followed correctly, your body responds, and you start to perform, feel, and function better. But, what if a similar focus was placed on eating correctly to fuel your brain?

Our nootropic does exactly that. We created BRYT with your mind in mind, and crafted a product that boosts cognition, alleviates brain fog, and increased neuron activity. It truly is brain food.

BRAIN FOOD X 1,000

Put simply, what you eat affects the structure and function of your brain. It operates as a technologically advanced engine, which needs the proper fuel to form and fire. Give it subpar fuel, and you'll get a subpar result.

On the other hand, if you fuel it properly, you begin to get the most out of it: neuron activity heightens, memory strengthens, and cognition improves.

BRYT contains condensed profiles of the types of nutrition your brain thrives on: antioxidants, omegas and healthy fats, vitamins, and proanthocyanidins.

BRYT.

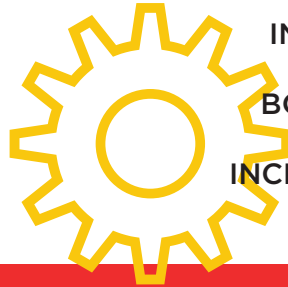

HI-Q IS JUST A SIP AWAY

THE BENEFITS

REDUCED BRAIN FOG

HIGHER, NEUROLOGIC ACTIVITY

INCREASED MEMORY

BOOSTED CREATIVITY

INCREASE, INNER ENERGY

KEY INGREDIENTS

L-THEANINE

Derived from green and black tea, studies have proven this amino acid to increase alpha-brain waves. It also allows your body to recover, rest deeper, and energize.

LION'S MANE

This high-power mushroom has been proven to increase neurological activity within the cognitive portions of the brain. Increased neurological activity means higher brain function, great memory capacity, and more.

PINE BARK EXTRACT

Pine Bark Extract is a widely-used nootropic. With antioxidant and anti-inflammatory composition, it fights oxidation within the mind to increase cognitive efficiency and decrease brain fog.

Supplement Facts

Serving Size 1 Capsule
Servings Per Container 30

	Amount Per Serving	% Daily Value
Vitamin C (as ascorbic acid)	108 mg	120%
Niacin (as niacinimide)	32 mg	200%
